GROWING REGION: PATAGONIA CHILE

All Our Maqui Berry Products are Grown & Directly Manufactured in Southern Chile

Species: Aristotelia chilensis (*Molina*) Stuntz
Family: Elaeocarpaceae
Order: Malvales

PRODUCT FACTS

Maqui (pronounced mock-ee) is claimed to be the best berry in the world? Studies have found....

- **Yields Higher ORAC than any other berry discovered in the world!** Contains an extra molecule of oxygen.
- **Antioxidant levels 4X's higher than Acai** (reported by BRUNSWICK Labs): *twice the strength while using half the product!*
- **Drastic Weight Loss within weeks** - Human Studies have shown it to be one of the best and MOST SUCCESSFUL in weight loss supplements.
- **NO Side Effects Found, 100% Natural** - Wild crafted and non-cultivated.

DESCRIPTION

While this berry was originally used as a coloring agent, having a deep reddish purple color, it also yields an extraordinary flavor on its own.

Maqui grows wild on a short tree between 4-5 m tall. One tree may contain several hundred berries that are individually hand-picked.

Smaller than a blueberry (4-6 mm in diameter) Maqui is mostly comprised of 4-8 angular seeds.

HEALTH BENEFITS OF MAQUI BERRY

- High in both anthocyanins & polyphenols
- Combats free radicals & before harming human health
- Helps control inflammation & overall joint pain
- Reduces LDL levels (bad cholesterol)
- Supports low blood pressure
- Aids in cancer prevention
